

## Living the meaning of ULTREYA

The Leader's manual of the US Catholic Cursillo Movement says that the **ULTREYA** is what allows the best in each person to be transmitted to the most possible Christians. While our individual group reunion oversees the good of the individual, the Ultreya oversees the good of the community. Both are essential to the movement. The Christian living through the Cursillo method unifies, and is fundamental for being a Christian: love of God and love of neighbor.

I am very happy to invite you all to our **first Ultreya of 2023**. It will be hosted by a special group reunion, one that combines women from three counties--Essex, Paterson, and Hudson.(We let Paterson sneak in because they are such a great group of Cursillistas!) They meet in Clifton on a monthly basis. they are Debbie Maestroni, Dolores Bianchi, Jane Beck, Melissa McKittrick, Kate Cheski and Catherine Viera. They each attend a different parish, but Cursillo has brought them together.

The Ultreya will be **Friday February 17** at **Holy Family parish in Nutley**. The doors open for fellowship at 7. Program starts at 7:30, and the live stream should begin around 7:50 or so. We would obviously **LOVE** to **SEE** you all in person for this wonderful evening. I hope all the members of the two teams currently in formation can be there as this is one important step in their journey to be unified and a strong community.

And the babe chicks from 2022-- **PLEASE** join us and take part in this vital step in the continuous development of your faith.

**The address is 28 Brookline Avenue, Nutley NJ 07110**
